

CTE Holiday Maker Space Night

November 27th from 5:30 – 7:30

Join us at Westminster High School for a fun night of making your own holiday pies, ornaments, wreaths, and more! All ages are welcome! Everyone leaves with something to decorate their home with or give as a gift to a loved one!

Learn how to make your own holiday pie with the help of our ProStart students. \$12

Make your own holiday evergreen floral designs with the help of our Agriculture students.

20" evergreen holiday wreaths \$20

3-candle centerpiece \$25

Coffee mug arrangement \$10

Our Construction students will share their expertise as you create your ornaments using various sizes and shapes of wood. Feel free to bring your favorite family picture to personalize the ornament. 2 ornaments for \$10

Computer Science students will teach you how to build your own mini-LED light ornament. 1 ornament for \$10

Make your own DNA ornaments with the help of our Biomedical Science students. 2 ornaments for \$5

Drop off your landscape equipment, such as trimmers, hedgers, and blowers, and have our Agriculture students prep them for winter storage and usage. You can go grab dinner while they work or sign-up for one of our other activities. \$20

Kiddos can decorate their own holiday cookies while you take part in one of the other activities. Childcare and cookie decorating hosted by our own Early Childhood Education students. \$7
