Westminster Public Schools has created a Future Wolves' program for ALL WPS students. We are currently in our 5th year! The Future Wolves' is a preparatory program that will help K-8 students/athletes begin to experience a more competitive level of athletics with the intent of preparing the student/athlete for Westminster High School.

The Westy Wolves Futures Wrestling Team will compete in the North Metro Middle School League. We will have meets against other schools as tournament opportunities. Practices will be Tuesdays and Thursdays at Westminster High School.

Cost to students who make the teams will be \$50.00 Singlet & Spirit wear included in the fee
