

Dear Parents and Families:

This year, WPS will provide breakfast and lunch to all students free of charge, regardless of the child's free or reduced-price meal benefit status. However, it is still highly encouraged that families continue to complete and submit free and reduced-price meal applications.

The submission of a free and reduced-price meal application and subsequent determination of benefits goes beyond eligibility for free or reduced-priced meals. Based on your application, you could be eligible for the Pandemic Electronic Benefits Transfer (P-EBT) program. P-EBT is a program that provides a cash-like benefit to purchase groceries for students to replace meals they would have normally received when in-person at school during the pandemic. In addition, submitting an application also helps ensure students receive the maximum amount of benefits they are eligible for, including discounts on school fees and bus passes. It also ensures schools also receive additional resources to support healthy meals for students and afterschool programs.

Your assistance in completing and submitting the free and reduced-price application is greatly appreciated. Apply now. <https://www.nlappscloud.com/> or contact your student's school for a paper application. All information provided is confidential and protected.

If you have any questions, please reach out to Nidia Silva at 720-542-5090 or email us at NutritionServices@westminsterpublicschools.org

**Information about Applying for Free or Reduced-Price School Meals
2021-2022 School Year**

Dear Parent/Guardian:

Children need healthy meals to learn. Westminster Public Schools offers healthy meals every school day. Breakfast is FREE for all PreK through 12th grade students; and lunch costs: Middle is \$2.50, High School \$2.75. Your children may qualify for free or reduced-price school meals. Students in all grades that qualify for free or reduced-price meals will receive breakfast and lunch at no charge.

- Due to social distancing practices we are asking families to complete the online free and reduced-price school meal application. If you need to request a paper application or have questions about the online application, please contact your students' school.

This packet includes an application for free or reduced-price meal benefits, and a set of detailed instructions. You can also find applications your student's school or apply online at <https://www.nlappscloud.com/>.

Below are common questions and answers to help you with the application process.

1. WHO CAN RECEIVE FREE OR REDUCED-PRICE MEALS?

- All children in households receiving benefits from the Supplemental Nutrition Assistance Program (SNAP), the Food Distribution Program on Indian Reservations (FDPIR) or Temporary Assistance for Needy Family (TANF/Colorado Works – Basic Cash Assistance or State Diversion), are eligible for free meals.
- Foster children that are under the legal responsibility of a foster care agency or court are eligible for free meals. Foster children may be added as a household member of the foster family if the foster family chooses to apply. Including foster children as household members may help other children qualify for benefits. If the foster family is not eligible, it does not prevent a foster child from receiving benefits.
- Children who qualify for their districts Head Start program are eligible for free meals.
- Children who meet the definition of homeless, runaway, or migrant are eligible for free meals.

Are any children living with you who have chosen to leave their prior family or household? If you believe children in your household meet these descriptions and have not already been notified that your children will receive free meals, please call our Homeless Liaison Jamie Skaronea at 720-542-5380.

6. MY CHILD'S APPLICATION WAS APPROVED LAST YEAR. DO I NEED TO FILL OUT A NEW ONE? Yes. Your child's application is only valid for that school year and for the first 30 days of this school year. You must send in a new application unless the school notified you that your child is eligible for the new school year.
7. I RECEIVE WIC. CAN MY CHILDREN RECEIVE FREE MEALS? Children in households participating in WIC may be eligible for free or reduced-price meals. Please send in a completed free and reduced-price school meal application.
8. WILL THE INFORMATION I GIVE BE CHECKED? You may be selected to provide written proof of the household income you report on the application.
9. IF I DON'T QUALIFY NOW, MAY I APPLY LATER? Yes, you may apply at any time during the school year. For example, children with a parent or guardian who becomes unemployed may become eligible for free and reduced-price meals if the household income drops below the income limit.

11. MAY I APPLY IF SOMEONE IN MY HOUSEHOLD IS NOT A U.S. CITIZEN? Yes. You, your children or other household members do not have to be U.S. citizens to apply for free or reduced-price meals. Immigration, migrant, citizenship or refugee status is not required to be provided during the application process, and families should continue to apply for free or reduced-price school meals. The application does require the last four numbers of a Social Security number or an indication that there is no Social Security number. Social Security number information is not reported to any organization outside of Westminster Public Schools.
12. WHAT IF MY INCOME IS NOT ALWAYS THE SAME? List the amount that you normally receive. For example, if you normally make \$1000 each month, but you missed some work last month and only made \$900, put down that you made \$1000 per month. If you normally get overtime, include it, but do not include it if you only work overtime sometimes. If you have lost a job or had your hours or wages reduced, use your current income. The last four digits of the Social Security Number of an adult household member (or an indication of "none") is required to process a complete income application.
13. WHAT IF SOME HOUSEHOLD MEMBERS HAVE NO INCOME TO REPORT? Household members may not receive some types of income we ask you to report on the application, or may not receive income at all. Whenever this happens, please write a 0 in the field. However, if any income fields are left empty or blank, those will also be counted as zeroes. Please be careful when leaving income fields blank, as we will assume you mean to do so. The last four digits of the Social Security Number of an adult household member (or an indication of "none") is required to process a complete income application.
14. WE ARE IN THE MILITARY. DO WE REPORT OUR INCOME DIFFERENTLY? Your basic pay and cash bonuses must be reported as income. If you get any cash value allowances for off-base housing, food, or clothing, or receive Family Subsistence Supplemental Allowance payments, it must also be included as income. However, if your housing is part of the Military Housing Privatization Initiative, do not include your housing allowance as income. Any additional combat pay resulting from deployment is also excluded from income.
15. WHAT IF THERE ISN'T ENOUGH SPACE ON THE APPLICATION FOR MY FAMILY? List any additional household members on a separate piece of paper, and attach it to your application. Contact your student's school to receive a second application.
16. MY FAMILY NEEDS MORE HELP. ARE THERE OTHER PROGRAMS WE MIGHT APPLY FOR? To find out how to apply for other assistance benefits, contact your local assistance office. Colorado PEAK is an online service to screen and apply for medical, food and cash assistance programs. It can be accessed at <http://coloradopeak.force.com/>.
