

# Student Responsibility and Commitment

Realizing that the purpose of education-based athletics is to be an extension of the classroom where learning continues long after the school day ends, I will commit to growing every day by:

1. Participation on a school based athletic team is an honor and a privilege.
2. Controlling what I can control, my attitude and effort. My attitude plus my effort with equal the outcome  $A+E=O$ .
3. Being positive and enthusiastic.
4. Encouraging, supporting and acknowledging my teammates.
5. Participating with honor and integrity.
6. Accepting responsibility for my behavior on and off the playing field or court.
7. Pursuing excellence daily on the court or field, in the classroom, and in the community.
8. Demonstrating a team-first approach.
9. Committing myself to hard work and sacrifice to improve my skills and abilities.
10. Being receptive to coaching even when what I am being asked to do is difficult for me.
11. Displaying superior sportsmanship at all times.
12. Advocating for myself by communicating with my coach/es when issues arise.

**Because, I understand that it is a privilege to represent my team, my school, WPS, my family and my community, I will make this commitment as a student-athlete.**
