

# 2020-2021 Return to In-Person Learning

1st-8th Grade Start Date:  
August 20, 2020  
Kindergarten Start Date:  
August 24, 2020

## The Basics

**In-Person Learning:** 100% five days per week. K-8. We are prepared to move to remote learning if necessary.

**Virtual Learning:** Families have the option to enroll in WPS Virtual Academy.

**Cohort:-** Students will be with the same student group and teacher group daily.

**Food and Nutrition:** Meal service program available with a grab and go program. Students will eat in their classrooms or other designated areas to promote social distancing.

**Transportation:** We are encouraging families to coordinate transportation to and from school if possible.

**Visitors:** Volunteers, visitors, or non-employees will not be allowed to enter the building during the school day. Parents may enter in case of emergency or by appointment. Please call this number for appointments: 303-428-8583

**Choice and Electives:** Students will attend the same elective all semester, to promote cohort learning.

**School Schedule:** Each cohort will have a designated arrival and dismissal door. Students will have a designated meeting area to report to morning and afternoon.

**Restroom Use:** Each cohort will be assigned a designated restroom.

## Health and Safety

- Masks are required for staff, students and visitors while in the building and outside when unable to social distance
- 6 Ft social distancing will be practiced in common spaces, hallways and outside
- Staff and student temperature checks and symptom screening daily upon arrival to the building
- Students with symptoms will be isolated in the sick room until a guardian can pick them up
- Staff with symptoms will leave the building immediately
- Visitors with symptoms will not be allowed to enter the building
- Regular hand washing and sanitizing will be taught and promoted
- Reduced shared items and materials, click here to see our school supply list
- Air conditioning installed 2020 for increased ventilation
- Enhanced and frequent cleaning and sanitizing of the building

## Next Steps

**Please work with your students on proper hand washing and how to wear face coverings**
