Chromebook Description (Manufacturer, Model)	Serial #	District DID TS#

I, \_\_\_\_\_ (Parent/Guardian), understand that I am responsible for any damage to or loss of the Chromebook assigned to my student. I understand that the Chromebook is only to be used for school related activities. The student agrees to use the Chromebook in accordance with the Student Use of the Internet and Electronic Communication WPS Board Policy, and understands that the school has permission to monitor this school device at all times. Users are expected to follow all laws, including copyright laws. The sharing or transferring of copyrighted materials with this Chromebook is prohibited. While the school maintains the right to monitor use of this Chromebook, parents/guardians are responsible for monitoring the use of this device when it is not on the school network.

By signing this document, the student agrees to properly handle and care for the Chromebook and Chromebook charging cable while in their possession. The student shall not attempt to damage, open, repair, or in any way alter any portion of the Chromebook or Chromebook charging cable. I understand that Chromebook repair costs are a minimum of \$60, full Chromebook replacement costs are \$220 per device, and replacement charging cables are \$20 per device.

I understand that a violation of the terms and conditions set forth in this agreement may result in disciplinary action for the student.
