Hello WAIS Families,

Today (9/29/20) we learned that an individual has tested positive for COVID 19. This individual was in direct contact with our 6th grade classroom. As a result, we will need to quarantine 6th grade starting immediately. Students from this cohort may return to school on October 8th

This message is to keep you informed, but no action is required on your part. It is important to remember that students and staff who are quarantined after a school exposure are at low risk of actually contracting the virus.

We have planned for situations such as this and we will continue to provide learning for all of our students.

Thank you for your cooperation and your patience. If you have further questions, please contact the WAIS office.

Sincerely,

Russ Warwick,
Principal, Westminster Academy for International Studies
